THROUGH: Bob Gates, DDI

FROM: Graham E. Fuller, VC/NIC

SUBJECT: Article by [ ] on the "Iraqi Way of War"

25X1

1. I would like to commend [ ] for his very excellent piece in the recent issue of the NESA Staff Notes on the "Iraqi Way of War." Although the Community has kicked this issue around for quite sometime, this is the best piece of analysis yet put together bringing in a whole variety of major factors which influence Iraq's behavior in the war.

25X1

2. A great deal of time has been spent in this town at the intelligence and policy level to understand Iraq's peculiar behavior in the war. I believe this paper deserves broader distribution. [ ] efforts contribute significantly to this ongoing discussion.
